MISSION MOMENT

Annie Armstrong was a strong advocate for missions and ministries. She believed that everyone has a role to play in missions through praying, giving and going. The North American mission field has a population of 386 million people of which 286 million are without Christ. This includes 161 unreached people groups who speak 350 different languages. The Annie Armstrong Offering plays a vital role in supporting North American Mission work. 100% of your gift supports 3000 missionaries and church planting and compassionate ministries.
